[Developers include: D76, T-Max, HC-110, and Rodinal, but others can be done by request. Film is developed in a small tank by hand.]

Black-and-White Prints

Standard Prints: Clean, beautiful prints with minor corrections made to bring out the best in the image. No variations, matching of a proof, or extreme cropping.

Custom Prints: Final prints are geared toward and excellent for exhibition. All manner of cropping, image positioning, matching of proofs, and corrections for tone and contrast will be made.

Paper Types Available: Currently, prints are offered on a variety of Ilford papers. These include neutral and warmtone papers with a variety of surfaces; matte, semi-matte, and glossy.
